

EXECUTION VISIBILITY AND INTEGRATION FOR FAA NAS MODERNIZATION PROGRAMS

Sirene Solutions is an **SDVOSB** and **WOSB** supporting **FAA enterprise implementation** and execution environments. Experience includes modernization of **FAA capital planning (CWP)** platforms and integration with **Primavera, Delphi, PRISM, OBIWAN, and REGIS** to improve **schedule visibility, resource alignment, and milestone tracking across capital programs**. This work supports execution reporting for large-scale NAS modernization initiatives.

CORE SERVICES

RELEVANT EXPERTISE

- **CWP** modernization and integration with **Primavera, Delphi, PRISM, OBIWAN, and REGIS**
- Resource reporting enabling schedule health visibility and workforce alignment in Tableau
- Support for enterprise capital program execution using **JIRA, ServiceNow, CSAM/JCAM, and Splunk**
- Integration of financial, schedule, and operational data supporting NAS modernization programs

DIFFERENTIATORS

- Leadership team with **20+ years of FAA experience supporting** financial, procurement, and capital planning systems
- **Schedule risk insight** and resource optimization aligned to milestone-driven delivery
- **Execution-focused** support strengthening accountability without competing scope
- **Proven modernization and implementation support** within active FAA production environments

FAA EXPERIENCE

AFN – BUDGET AND PLANNING

- Modernized FAA enterprise platforms for NAS capital program execution (CWP, REGIS)
- Enabled repeatable workflows supporting enterprise-scale delivery
- Improved executive visibility, coordination, and decision-making across FAA capital programs

ATO – TECHNICAL OPERATIONS

- Provided enterprise reporting for NAS engineering and Technical Operations leadership
- Connected financial, project, and operational data across FAA systems through the **Enterprise Data Repository (EDR)**
- Enabled decision-ready analytics surfacing schedule risk, trade-offs, and execution impacts

CONTRACT VEHICLES

- FAA eFAST – BAM, CSS, CSD, D&T
- FAA 1DTS, LLC – CWP support to FAA Capital Programs
